## **Various**

Since Dominik Berg graduated from film school in 2013, he has quickly made a name for himself on the international stage as a cinematographer. His work covers a wide range – from intimate storytelling with actor staged performances to highly aesthetic features/TV. Some of the commercials he shot won gold at the YDA in Cannes and ADC Switzerland, among others. Feature films and short films such as „Amoklove“, „Antons Fest“, „What’s Left Of My Life“ and „Die Hannas“ earned numerous awards and nominations at film festivals around the world. Among them Cameraimage, Filmfest München and Montreal Filmfestival. The international TV event series "The Swarm" and "Concordia" will be released worldwide and the latter will celebrate its world premiere at mipcom in Cannes 2023.
